

PREPARE

Remove the yellow seal tab before using the VEEV™ pod.

VEEV pods can only be used with IQOS VEEV™ device. Liquid droplets visible on the cartridge or mouthpiece, which may occur during unpacking or usage, must be wiped off with a clean dry cloth before use. Do not use the VEEV pod if it appears to be damaged, tampered with, broken, or leaking.

SAFETY WARNINGS AND INSTRUCTIONS

This is the safety alert symbol. It is used to alert you to potential physical injury hazards.

PLEASE READ ALL SAFETY WARNINGS AND INSTRUCTIONS BEFORE USE TO AVOID INJURY.

These safety warnings and instructions cannot cover all possible conditions that could occur and users should exercise care and caution.

KEEP THESE SAFETY WARNINGS
AND INSTRUCTIONS FOR FUTURE
REFERENCE AS THEY CONTAIN

IMPORTANT INFORMATION.

Intended Users

- IQOS VEEV™ and VEEV™ pods are for adult-use only.
- IQOS VEEV and VEEV pods are for current adult e-cigarette users and smokers who would otherwise continue to use tobacco or nicotine-containing products.
- Children and adolescents should never use IQOS VEEV or VEEV pods under any circumstances.
- IQOS VEEV or VEEV pods should not be used by persons with reduced physical, sensory or mental capabilities or lack of knowledge, unless they have been given supervision or instruction to use the product in a safe way and understand the hazards involved.

Nicotine

- VEEV pods contain nicotine, which is addictive.
- IQOS VEEV and VEEV pods are not risk-free. The best way to reduce nicotine-related health risk is to quit using tobacco and nicotine use altogether.
- Some consumers of IQOS VEEV reported experiencing (in alphabetical order) abdominal pain, cough, dizziness, dry mouth, headache, malaise, nasal stuffiness, nausea, mouth irritation, throat irritation, vomiting.
- Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic or are experiencing seizures.
- Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding, or think you may be pregnant you should quit tobacco and nicotine use altogether.
- Stopping smoking or switching to IQOS VEEV and VEEV pods or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).
- If you have questions about whether you should use IQOS VEEV or VEEV pods given an existing health condition, you should consult a health care professional.

IMPORTANT SAFETY INFORMATION

WARNING Choking and Ingestion Hazard

- Keep IQOS VEEV and VEEV pods out of reach of children and pets at all times.
- CHOKING HAZARD — IQOS VEEV and VEEV pods contain small parts.

- **INGESTION HAZARD** — If IQOS VEEV™ or VEEV™ pods or their parts are swallowed, seek medical attention immediately due to risk of nicotine intoxication.

⚠ CAUTION Irritation Risk

- In case of contact with leaking e-liquid from VEEV pod, wash the affected area immediately with soap and water.

⚠ CAUTION Allergic Reaction Risk

- Using IQOS VEEV and VEEV pods could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.
- Stop using IQOS VEEV and VEEV pods and seek medical attention immediately if you experience any of the symptoms above as they may indicate a serious allergic reaction.

Use of VEEV pods

- Only use VEEV pods with IQOS VEEV. Never use IQOS VEEV with other pods. Doing so may cause injury.
- Do not modify or attempt to refill VEEV pods in any way or add any substance to VEEV pods. Doing so may cause injury.

Usage and Storage

- Do not expose this product to excessive temperatures or moisture
- Store in the original packaging at room temperature.
- It is recommended to use the product between 0°C and 40°C.
- Use VEEV pods promptly once removed from original packaging.
- Liquid droplets visible on the cartridge or mouthpiece, which may occur during unpacking or usage, must be wiped off with a clean dry cloth before use.
- Do not use this product if the VEEV pod appears to be damaged, tampered with, broken, or leaking.
- Due to risk of VEEV pod leaking with altitude changes, it is not recommended to fly with VEEV pods that have been removed from packaging or have been partially used.
- Store in a place inaccessible to children.

Reporting of adverse events or incidents

- If you experience any unwanted health effect when using IQOS VEEV and VEEV pods, consult a health care professional.
- You can report any adverse event or incident directly by contacting the Customer Care: 800 111 4767 (from landline toll free) or 210 4193 888 (from mobile).

- By reporting side effects, you can help provide more information on the safety of this product.
- For more information please go to www.iqos.com.

INFORMATION ON DISPOSAL

This symbol on the product or on its packaging indicates that this product and its individual parts must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing waste equipment as unsorted municipal waste (e.g. by waste incineration or land filling) can have negative effects on the environment and human health. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your local household waste disposal service or the shop where you purchased the product. The local importer of the product will provide for the financing of the treatment and recycling of waste equipment returned through these designated collection points in accordance with local requirements.
